

September 29th – October 1st
Presented by PSS World Medical
Thursday Night: St. Augustine Rod & Gun Club
In-Shore Tournament: Conch House Marina Resort

Event Overview

When: Thursday, September 29th
 Friday – Saturday, September 30 & October 1st

Where: Captain's Dinner: St. Augustine Rod & Gun Club
Fishing Tournament: Conch House Marina Resort

Overview: ***Come catch the excitement!*** This fishing tournament is one you won't want to miss! Gary Ellis founded the original Redbone Tournament Series in 1988 to help fund research needed to find a cure for cystic fibrosis. This year's 10th annual Oldest City Red-Trout Classic will once again team up guides and anglers on September 29th - October 1st, to fish for trout and redfish to help "catch the cure" for CF.

This year, the Oldest City Red-Trout Classic will begin Thursday evening, September 29th, with a captain's dinner and auction at the St. Augustine Rod & Gun Club. Early Friday morning, captains and anglers will set sail, from Conch House Marina Resort in St. Augustine with hopes of catching the big one. As fisherman make their way back to shore to tally results of the first day, anglers and captains will enjoy sharing their stories at the Conch House Marina Resort dockside party. On Saturday, boaters headed out once again to enjoy a second day of fishing followed by an awards reception at the Conch House Marina Resort.

Please join us this September 29th - October 1st, 2011 for what is sure to be a memorable, fun-filled, fish-filled weekend and help us "catch the cure for cystic fibrosis."
