**A PREMIER EVENT FOR
 FLY FISHING ENTHUSIASTS**

**ABOUT THE ROCKY MOUNTAIN
 FLY FISHING CELEBRITY CLASSIC**

The 17th Annual Rocky Mountain Fly Fishing Celebrity Classic event will help raise funds "To Catch the Cure" for cystic fibrosis and will be held September 24-26 2020 in the Aspen/Basalt, Colorado area. This tournament continues to embrace the notable standard of excellence that founder Gary Ellis established with the Mercury Redbone Celebrity Tournament Series.

The competition is a strict catch-and-release, pick your biggest fish point accumulation tournament for rainbow trout and brown trout and a wild card fish. Each boat will have two anglers paired with one of the Rocky Mountain's world-class fishing guides, providing participants with an extraordinary fly fishing experience.

ABOUT CYSTIC FIBROSIS

Cystic fibrosis (CF) is a life-threatening disease that affects approximately 30,000 children and adults in the United States. CF afflicts the respiratory and digestive systems and reduces a patients life expectancy to 40+ years.

B. cepacia Statement—"Because of risks to people with cystic fibrosis (CF), individuals with a confirmed positive sputum culture for *Burkholderia cepacia* complex **shall not attend** this event. This is because *B. cepacia* can be passed between individuals who have CF through close proximity. *B. cepacia* infection in a person with CF can cause serious respiratory illness and, in some patients, may lead to death. Despite this policy, there might still be some individuals with *B. cepacia* in attendance. *B. cepacia* is not a risk for otherwise healthy individuals. Consult your CF care center physician with medical questions."
