**A PREMIER EVENT FOR
 FLY FISHING ENTHUSIASTS**

**ABOUT THE ROCKY MOUNTAIN
 FLY FISHING CLASSIC**

The 18th Annual Rocky Mountain Fly Fishing Classic event will help raise funds "To Catch the Cure" for cystic fibrosis and will be held September 22-24, 2022, in Casper, Wyoming. This tournament continues to embrace the notable standard of excellence that founder Gary Ellis established with the Redbone Tournament Series.

The competition is a strict catch-and-release, pick your biggest fish point accumulation tournament for rainbow trout, brown trout and a wild card fish. Each boat will have two anglers paired with one of Casper's world-class fishing guides, providing participants with an extraordinary fly fishing experience.

ABOUT CYSTIC FIBROSIS

Cystic fibrosis (CF) is a life-threatening disease that affects approximately 30,000 children and adults in the United States. CF afflicts the respiratory and digestive systems and reduces a patients life expectancy to 40+ years.

B. cepacia Statement—"Because of risks to people with cystic fibrosis (CF), individuals with a confirmed positive sputum culture for *Burkholderia cepacia* complex **shall not attend** this event. This is because *B. cepacia* can be passed between individuals who have CF through close proximity. *B. cepacia* infection in a person with CF can cause serious respiratory illness and, in some patients, may lead to death. Despite this policy, there might still be some individuals with *B. cepacia* in attendance. *B. cepacia* is not a risk for otherwise healthy individuals. Consult your CF care center physician with medical questions."

GUIDES & CADILLAC FISHING

You don't have to be an accomplished angler to participate. Many of my friends flyfish once a year and catch a bunch of fish. The guides from our host shop, **Cowboy Drifters**, will teach you all you ever need to know about catching rainbow and brown trout

on the Blue Ribbon Tailwaters of Grey Reef in Casper, Wyoming.
